- Please appoint a person to control the top gate by the car park which can be opened to drop off guests but left empty for the bridal car and photos
  
- We do not allow BYO and our bar is not stocked with spirits. We require a minimum of three cases of wine be bought from us on the night. If you are not happy with this we will not be offended if you choose another venue.
  
- We have sourced the best variety from some of the best known regions, which are young and fresh. (eg Chardonnay from Hawkes Bay, Sauvignon Blanc from Marlborough) We have also put our existing wine up against others in a blind tasting and these are also drinking well. We will continue to extend the wine list.
